**(Project period end date: 12/31/03)**

<p align="center"><b>Gang Diversion Initiative</b>  <b>East Toledo Family Center</b>  <b>Allocation - \$30,000.00</b></p>	<p>This project will provide services to at risk youth and youth involved with gangs following the OJJDP Comprehensive Gang Model, including pairing with a community-based mentor for 85 youth assigned to the Lucas County Community Detention Program. Gang diversion staff and community mentors would provide youth with continuous support and assistance as they complete individual goals within their success plan.</p>
<p align="center"><b>The LEARNING CLUB of Toledo</b>  <b>The Learning Club of Toledo</b>  <b>Allocation - \$20,000.00</b></p>	<p>The project will enhance a student's ability to pass the reading and math proficiency tests of 112 central city students. The project will provide systematic curriculum of remediation or enrichment needed by at-risk youth. Each child would attend two sessions per week September through June. Each session consists of ½ hour of reading, ½ hour of math, Hooked on Phonics, Hooked on Math and 10 minutes of one on one instruction.</p>
<p align="center"><b>The Parent Project of Greater Toledo</b>  <b>YMCA of Greater Toledo</b>  <b>Allocation - \$23,315.00</b></p>	<p>The project will utilize a comprehensive community-based program to serve 120 high-risk Lucas County families with strong-willed children. The Parent Project would be a ten-week series of classes designed to empower parents to prevent and suppress destructive behaviors demonstrated by their children. Two trained facilitators would teach the classes. Parents would learn effective intervention strategies through activity-based instruction, small group discussion and participation in parent support groups. The Teen Success Project would be a complementary program for the children, which would coordinate with the Parent Project classes and would be taught by a trained facilitator and aid.</p>
<p align="center"><b>"Tell Da Real"</b>  <b>Linques Neighborhood Center</b>  <b>Allocation - \$30,000.00</b></p>	<p>This project will provide 12-week group sessions focusing on self-esteem and skill building, appropriate decision-making, anger management, leadership development, vocational training, transitional life styles, along with individual/group counseling to 45 African-American adjudicated female youth. Each client will be assigned a mentor, receive one home visit per week and attend outings.</p>
<p align="center"><b>YTC Psychiatric Services</b>  <b>Lucas County Juvenile Court</b>  <b>Allocation - \$13,800.00</b></p>	<p>This project will collaborate with a psychiatric service provider to work collaboratively with the Youth Treatment Center to complete Psychiatric evaluations, medication management, and staff consultation and training, parent education and consultation for 120 YTC residents. Part-time YTC staff will provide supplemental support to youth involved in psychiatric case management and the youth's family.</p>
